Toyota Application Menu

The screenshot displays the 'TOYOTA-APPLICATION TOP MENU' interface. At the top, there are navigation buttons: 'Download Site', 'Alter User Property', 'Administrator Only', and 'System Tool'. The main menu area is divided into two columns. The left column lists various application modules, with three items highlighted by red boxes: 'Technical Menu', 'SMS SYSTEM', and 'P-SMS Menu'. The right column lists additional modules. At the bottom, there is a button labeled 'Display "NEWS"'.
